Hola Amigos!

LET'S EAT!

# how it works

Eat, drink, eat, repeat!

Sticking with pincho tradition, we don't have a food menu at Salty Olive.

Our pinchos are made in our kitchen, using the freshest ingredients delivered daily, and are served on our bar.

So... head to the bar, grab a plate and try a selection of our pinchos. Whether you're after a quick snack or a full meal, we know you'll find something tasty.

Oh and keep an eye out for our team offering hot pinchos straight from our kitchen... they're not to be missed!
